Staff Fees

We need to supply a head count to the site, therefore we ask that you complete this form and return it with your staffing fees for our records. We are grateful for the volunteers that step up to staff every weekend to help to continue the healing of our veterans and active duty personnel. We make every effort to keep the costs down. We also want you to know some details:

- We appreciate contributions to the food for the weekend – cash, snacks, etc. Some sites may have a staffing fee if lodging and food is provided for staff (usually under \$100). You will be notified of that fee when your application is accepted.
- Some volunteers have chosen to donate more than the staff fee to help pay for a veteran. If you would like to do this please include with your contribution. Thanks
